

Commercial Lines Model Book: New Policies Written by Class

The Central Insurance Companies are comprised of Central Mutual Insurance Company, All America Insurance Company, and CMI Lloyds (Texas).

Central's Commercial Lines Model Book offers a very broad appetite of classes for your agency to write which allows you to maximize your agency income and provide a number of underwriting solutions for your agency and insured.

Let us show you a sampling of new business, by class, that we've recently written. This list may even give you some ideas of classes you may not have considered us for in the past.
